WEEKLY REPORT CORRECTIONS

Page 22, Column 1 -- The seniority of Sen. Johnston should be listed as 10, and that of Sen. Fulbright as 9. The information that Johnston is an ex-Representative is incorrect and should be deleted.

The reference to Sen. Pastore as an ex-Representative also is incorrect and should be deleted.

Page 25 -- Change the seniority rank of Sen. Fulbright (Ark.) to 9 and (p. 26) the rank of Sen. Johnston (S.C.) to 10.

Page 25 -- In center of page, the last sentence in italics should read: For key to abbreviations, see p. 26 and 27 (not 2 and 3).

Pages 28-29 -- In the ages, professions, religions chart, the following changes should be made:

Michigan					
4 Hutchinson	50	10/13/14	C,L,V	CS	29
Pennsylvania					
5 Green	26	6/24/38	C	RC	73

Page 31, Col. 2 -- In the 4th full paragraph, the first line should read "...rules changes in 1965...." (not 1964).

Page 67, Col. 1 -- In lines 9-11 of the 1st paragraph, the cost figures mentioned are for printing the actual bill, not for printing the bill in the Congressional Record. The texts of bills introduced in Congress are seldom printed in the Record. Usually only the bill's title and brief description is printed.

Page 68, Col. 1 -- Under Reapportionment, line 7 should read: by all Republican Senators except Clifford P. Case (N.J.) and Jacob K. Javits (N.Y.).

Page 109, Col. 1 -- In the sixth paragraph, concerning the House GOP rule that no member can hold ranking position on more than one committee: However, special exception was made for Clarence J. Brown (Ohio), who was allowed to retain his ranking position both on Government Operations and on Rules, neither of which is entirely a legislative committee. But three other Members -- William L. Springer (Ill.), Robert J. Corbett (Pa.) and William H. Ayres (Ohio) -- holding ranking positions on two committees stepped down to No. 2 spot on the following committees, respectively: District of Columbia, House Administration, and Veterans Affairs.

Page 113, Veterans' Affairs -- The name of Seymour Halpern (R N.Y.) was left off the Republican roster for the Veterans' Affairs Committee. Halpern is ranked sixth, below Teague (Calif.) but above Ellsworth (Kan.).

Page 125, Col. 2 -- In the box on expenditures for new legislation, all figures are in thousands of dollars.

Page 136, Col. 1 -- In the fifth paragraph, the second sentence should read: on Jan. 4, 79 (not 78) Democrats.... (For full change in vote breakdown, see Weekly Report p. 141)

Page 161, Col. 1 -- In second paragraph under Title II, fifth line should read \$28 million (not \$280 million).

Page 164, Col. 1 -- In the third paragraph, the last sentence should read "Committee amendment" (not Conference amendment).

Page 191, 192 -- Corrections for CONNECTICUT -- The 1965-66 dates given for the planned state constitutional convention are incorrect, based on original plans later revised. Current dates for the convention: Nominating conventions for delegates, Republicans March 21 and Democrats April 7; delegate elections, June 15; start of convention, July 1; latest date for convention, Nov. 1; popular referendum on convention findings, Dec. 14, 1965.

Page 196 -- Corrections for NORTH CAROLINA -- Rejection of the "little federal plan" in the Jan. 14, 1964, referendum left in effect a 1963 Senate apportionment plan based substantially on population. Further reapportionment action in 1965 is not considered likely, although the House might be subject to challenge under Reynolds v. Sims standards.

Page 207, Col. 2 -- The story is continued on p. 219.

Page 230, Col. 1 -- In the second paragraph, line 2 should read: \$13 million (not billion).

Page 233, Col. 2 -- Under reaction, the statement supporting the Treasury's conclusions was issued by the Ford Foundation (not the Ford Motor Co.).

Page 273, Column 1 -- Under Auto Safety Standards, the year in line 4 should be 1967 (not 1966).

Page 307 -- The map of Cuyahoga County should be corrected to include Brooklyn township in the 20th District. It is not in the 21st District as shown.

Page 309 -- Under the district description for the 20th District (Cleveland -- Central City, Waterfront), the following addition should be noted: Rep. Michael A. Feighan (D) was not personally involved in redistricting negotiations which added Negro voters to the 20th District and removed the city of Parma to the 21st District.

Page 320, Col. 1 -- Under Silver Supply and Prices, line 13 should read: \$5 and \$10 denominations (not demonstrations).

Page 411, Col. 1 -- In line 4, referring to a discharge petition in the House, the required number of signatures should be given as 218, as majority of the House, not 219.

Page 419, Col. 1, line 15, and Page 420, Col. 2, three lines from the last -- the vote on the Mathias amendment was 147-255 and not 147-225.

Page 423, Col. 1 -- In line 2 the passage vote should read 76-8 and not 76-9.

Page 423, Col. 1 -- Line 3 should read: authorized a four-year (not five-year) extension of training programs.

Page 424, Col. 2 -- In the next to last line, "two-year" should read "one-year."

Page 438, Col. 1 -- Under Ohio Referendum, as stated, Ohio voters May 4 will accept or reject a constitutional amendment establishing a new state House apportionment formula. But the actual job of drawing new district lines will be placed in the hands of a special commission, headed by the Governor, which will have a 5-2 Republican majority. The previous story (p. 196) incorrectly stated that the Ohio legislature in December 1964 had drawn the new district lines.

Page 440 -- The story is continued on p. 453.

Page 461 -- The captions for CQ votes 30 and 31 should be changed to read: programs for four years, (not five years.)

Page 465, Col. 1 -- In the second paragraph, line 2 should read: Democrats won under 28 (not 38) of the 35 Senate contests of 1964.

Page 490 -- Figures given for the Nevada Senate race were based on final, certified returns by the Nevada authorities, but a subsequent recount altered the figures to:

Cannon Plurality	84

Page 610, Col. 2 -- Under Pay Costs, the Committee recommended \$606,880,688 (not \$609,295,688).

Page 633, Col. 2 -- Correction should be corrected to show the following:

Goldwater vote in New Mexico 132,838

Page 647, Col. 1 -- The sixth line of the first paragraph should read 16 (not 14).

Page 668, Col. 2 -- Under Klan Investigation Funds, line 1 should read 313-43 roll-call vote and not 312-43; line 5 should read D 205-40 (ND 127-35; SD 78-5).

Page 692 -- In Congressional Quarterly Roll Call No. 38 the Presidential position should read: "A 'yea' was a vote supporting the President's position," rather than: "The President did not take a position on the resolution."

Page 693 -- Due to a mechanical error, the House vote chart carried incorrect votes for several Members of the Pennsylvania delegation on all of the votes printed on the page. No change in the breakdown between Republicans and Democrats and Northern and Southern Democrats was involved. The correct votes follow:

Page 1851, Col. 1 -- Number of organizations in headline and in first line of text should read: 287 (not 288). Under "Business," delete name and figures given for American Surveys. Rowe Jr., Washington, D.C., was incorrectly listed as representative of the Haitian American Sugar Co. on p. 1743 of the Aug. 27 Weekly Report and as a lobbyist for Haiti on p. 2047 of the Oct. 8 Weekly Report. Rowe formerly represented the firm but ceased to do so in early 1964, a spokesman for his office told CQ.

Page 2105, Col. 1 -- In third paragraph, under Regional Medical Centers, line 2 should read: "Mrs. Mary Lasker" not "Mrs. Mary Lasky"; and in fourth paragraph, line 2 should read: "DeBakey" not "Debakay".

CONGRESSIONAL RECORD VOTE CORRECTIONS

The following corrections in official reports of the outcome of roll-call votes during the first session of the 89th Congress have been listed in the Congressional Record.

The lists are subdivided into "Vote Corrections" and "Stand or Announcement Changes." The former involve adjustment of the "Yeas" and "Nays" in the breakdown on Congressional Quarterly roll-call charts; the latter do not affect the breakdown.

The Congressional Record roll-call corrections listed below were inserted in the Record too late for CQ to include on Current Weekly Report vote charts; Weekly Report pages where these votes may be found

are indicated so that you may bring your Weekly Report file into conformity with the Record.

Symbols used in these vote corrections:

Y -- Yea	AN -- Announced Against
N -- Nay	PY -- Paired For
A -- Absent	PN -- Paired Against
AY -- Announced For	GP -- General Pair

In correcting CQ vote charts, see key on chart for appropriate symbols.
